## DIOCESE OF WILCANNIA- FORBES SYNOD 2026

The Synod seeks to understand the challenges of our local mission today and consider with fresh eyes and renewed hope how best to respond in our various contexts (parish, school, agency, etc.) and as the Diocese of Wilcannia-Forbes. Our intention is to determine how we can together envision and participate in the mission of the Church across the Diocese of Wilcannia-Forbes, given our unique challenges and strengths.
