

Combined Central Deanery Diocesan Ideas

1	Communication – relational and digital
2	Outreach - to include the excluded
3	Co-responsible collaboration expressed in servant leadership (particular focus on all the baptised)
4	Spiritual Formation – quality, vibrant, accessible
5	Close school and Parish connections for evangelisation
6	How can we survive if there is a significant and ongoing loss of income for our diocesan parishes?
7	How can we support the community as a Church who is missionary and evangelising for all (especially the poor/marginalised)?
8	How will we provide rich and meaningful formation that is relevant and attends to individual and collective gifts and charisms?
