Aim of the Synod

Affirming the fruits of the Spirit throughout this diocese, we walk together in prayer towards a harvest of hope. Our Synod will inspire our shared mission in communion with Bishop Columba and every member of our diocese.

Venue

The Diocesan Synod will be kindly hosted by Red Bend Catholic College, Forbes. Red Bend is an independent, co-educational Catholic secondary school in the Marist tradition. It is the only Catholic secondary school in the diocese, and continues a long history of Marist and Mercy education in the local area. We will be meeting on the traditional lands of the Wiradjuri people, and we pay our respects to their elders past, present and emerging.

Synod Process

The Synod process is designed by the Synod Subcommittee of the Diocesan Pastoral Council, with input from Bishop Columba Macbeth-Green OSPPE, Synod Facilitator Qwayne Guevara, Canonical advisor Fr Casimir Zielinski OSPPE, Theological advisor Fr Bijoy Joseph, the Council of Priests and the Diocesan Pastoral Council.

Members of the Synod will vote on proposed Recommendations that have emerged for each of the four Synod themes. An early draft form of these can be found at the end of each theme in the **Working Document**, which followed the initial diocesan survey, deanery meetings and submissions. Before the Synod, these will be more fully developed, through surveys and Zoom meetings, into a set of Recommendations under a particular Priority. Members will have time before the Synod to familiarise themselves with these Recommendations.

At the Synod, the Synod Facilitator will lead discernment and discussion on the final Priorities and Recommendations. This will include formation, a time of synodal listening, an opportunity to give input 'from the floor' (speak to the whole Synod) and a voting process. The consultative votes must pass a 2/3rds majority for them to pass as Recommendations for the Bishop.

Members will be given reading/viewing/listening material prior to the Synod so that we feel fully prepared to be part of this process. We will commit to listening to the Holy Spirit and each other with a generous heart and open mind. We will include young people who will engage with the Synod material in a relevant way with their peers. We will also all be invited to a Zoom reflection evening close to the time of the Synod, to deepen our spiritual preparation.

The Synod Subcommittee would like to encourage you to join us in this endeavour. It is not a meeting for experts, but a gathering of the faithful, who all have a valuable contribution to make as part of the Body of Christ.

Thank you for your prayer as we walk this Synod journey together.

Our Lady of Perpetual Help, pray for us.
